Dear Madam:

The data furnished herein were obtained from papers on file in the pension claim, S. 31003, based upon the Revolutionary War service of Alexander Elliott.

While living in Virginia in the section that was afterwards called Rockbridge County, Alexander Elliott entered the service in 1776 or 1777 on board the galley, "Safe Guard" which belonged to the State of Virginia and was under the command of his father, Captain George Elliott. Alexander Elliott served three years as midshipman.

On account of his service in the Revolutionary War, Alexander Elliott received from the State of Virginia a warrant for 2666 2/3 acres of bounty land and the warrant was issued June 1, 1783.

Alexander Elliott was allowed pension on his application executed August 10, 1853, at which time he was living in Adair County, Kentucky, aged sixty-nine years. The date and place of his birth and the name of his mother were not given.

He moved to Kentucky about 1789 and lived near Danville until 1799 when he moved to Adair County.

Alexander Elliott died August 23, 1853.

The papers in this claim contain no further data relative to the family of Alexander Elliott.

Very truly yours

to the  
Executive Assistant
