The BCCHS Class of '64 enjoyed their 59<sup>th</sup> reunion in Brooksville on Saturday, September 9, 2023. The first stop of the afternoon was a visit to the Haley House Museum. Guests were welcomed by Brenda Cooper, treasurer and researcher, and also by Carol Boney, vice-president of the Historical Society. Carol had items of interest - school papers, pictures and publications from previous reunions - available for all to see and enjoy. They appreciate these two ladies and others for helping to make the Haley House Museum a treasure in the county.

They then took a stroll up the street to Donna's Place (aka Burke's). Donna had the tables decorated with fresh-cut flowers on blue and white tablecloths. They were treated to a delicious fried chicken dinner that all enjoyed.

Bill Clos, their classmate, organized the reunion, contacted classmates, made reservations at Donna's Place and even wrote a great poem. Plus, his son Michael designed a beautiful wooden plaque given as a door prize which was won by Vivian Vanlandingham. His daughter Tara made a lovely canvas displaying the names of deceased members. The only sad part of the day was that after all Bill's hard work, he was unable to attend due to illness. Hopefully he will plan the 60<sup>th</sup> reunion next year and they can all enjoy being together again.
