

I know all men by their words that in  
George Warren & James Wood are held and  
firmly bound in the commonwealth  
of Kentucky in the penal sum of  
fifty dollars each hands &  
deals this 26th December 1835

Whereas there is a license about  
to be issued for a marriage between  
between George Warren son of  
Thomas Warren & Lucinda Wood  
a daughter of Henry Wood Now  
Therefore there be no legal cause to  
obstruct said marriage then this  
obligation take void.
