# Kentucky Genealogical Society Seminar

## 6 August 2016

### 8:45 a.m. to 4 p.m. (Doors open at 8 a.m. for sign-in and vendor shopping.)

## Featuring "The Legal Genealogist" Judy G. Russell, JD, CG, CGL

### Four Informative, Entertaining Sessions:

**1. Making a Federal Case Out of It**
Records of the District Court and the Circuit Court (now Circuit Court of Appeals) hold a wealth of information and detail. Discover why they merit a close look.

**2. That First Trip to the Courthouse**
Not everything about our ancestors is posted online. Explored in this session: How to prepare for a trip to the courthouse, what to do when you get there, and how to be welcomed back the next time.

**3. Facts, Photos, and Fair Use**
Understanding what is and isn't copyrighted and what genealogists can and can't use is the key to staying out of trouble and to protecting our own work. Learn what copyright is, and what it isn't.

**4. The Rest of the Story**
Going beyond the record to tell the rest of the story: how to find it, when to tell it, and when to keep it to ourselves.
