- (33) Information about the family of Sarah Alice Riley and Perry Turvey came from Gene Cost, whose e-mail address is gerigene@yahoo.com. The Turveys and Leasures were neighbors of my Hickmans in the late 1800s and early 1900s.

(34) There is a transcript of an article from the Jackson County (WV) Herald from August 1915 concerning the Riley Reunion and Picnic of August 6, 1915. In it Col. John Harper Riley gives some information about his Riley and Click/Cleek ancestors. Robert Riley and brother John Riley are mentioned as being the first of the family to come to America. This copy of the transcript originated from an Evelyn Carlson of Lakewood CO.

Notes:

(1) Before the Civil War, West Virginia was part of Virginia. West Virginia was admitted to the union by Congress June 20, 1863. Thus such counties as Wood, Wirt, Jackson, Roane and Harrison once were in Virginia and later in West Virginia. I have been inconsistent in differentiating between the divided states.

2) Data about persons currently alive and their families have been limited for the sake of privacy. In most cases it can reasonably be presumed the person is dead, but the death date was unavailable. This composition is an abridgement of a larger file.

If anyone has any further information about the people included here, we would appreciate hearing from you. We have tried to be as accurate as possible, but, as King Solomon wrote, "In the multitude of words, there is sin (or error)."
