

SCALE 1:24 000

Produced by the USDA Forest Service 02/2012
 North American Datum of 1983 (NAD83) Projection and
 3 inch equals 1 mile National Transverse Mercator zone 17
 Only National Forest boundary lands within the National Forest
 boundary are shown in blue. National Forest boundaries
 are not a legal document. Public lands are subject to change and leasing
 and may have some restrictions. Check with the appropriate BLM office for
 information before entering these lands.
 The Forest Service uses the most current and complete data available.
 While every effort is made to ensure accuracy, errors may occur in this map product.
 Map quality is maintained by the output device used when producing
 a finished product.
